Tired of being charged fees to access your own money? Visit these surcharge-free ATMs and keep your money where it belongs, in your own pocket.

We at General Electric think it only makes dollars and "cents" for you to be able to access your own money without having to pay for it. That's why we participate in Alliance One, a nationwide cooperative group of financial institutions that have joined forces to let our cardholders access each other's ATMs without having to pay a foreign access surcharge fee. Visit allianceone.coop or download the Alliance One "ATM Locator App" from the iPhone app store or the Android marketplace to find Alliance One ATMs close to your home, your work or near your next vacation spot.
